

Journey of a Kiva Loan

A borrower applies for a loan

Kiva loans are facilitated through two models that enable us to reach the greatest number of people around the world.

For direct loans, a borrower applies through Kiva.org. For partner loans, borrowers apply through a local Field Partner, who manages the loan on the ground.

Disbursement period

Agustina

Colombia / Retail

New repayment: **\$8.11**

Repaid \$19.19 of \$25
